

# 2007 REALTOR® / AFFILIATE COMMUNITY PARTNERS PROJECT

## Building Homes for Heroes

Foundations for Families  
San Juan Capistrano

Habitat for Humanity of Orange County will be starting a new neighborhood in San Juan Capistrano. Fourteen of the 27 affordable homes will be targeted to veterans with combat-related injuries. You can help qualifying families achieve the American Dream of Homeownership with your support.

Our 2007 REALTOR® / Affiliate Community Partners Project is to raise \$250,000 to build one of these homes. Please consider making a donation to help build this home. All contributors will be acknowledged in the Orange County Association of REALTORS® monthly newsletter.
